“ *DEBBIE,
Our hearts are breaking. We wish to be there to support you in your time of need. The distance between us can not suppress our out pouring of LOVE for you and your family. We pray for you, that you will receive strength and compassion from all who surround you. Your loss is mine. As we grew together, so did our children. They are one in the same. Though my choices have placed these many miles between us, take a few seconds.....close your eyes and feel my hand in yours. I am there.
May God be with you and keep you close, provide you with the love and understanding you need.*

*Love always,
Linda*

“ Debbie,

I am so sorry to hear about Chad. I had him when he was in the fourth grade @ North Tazewell Elementary. You also let him come to Falls Mills to spend the night with us and we took him to an Oriole baseball game. (My husband also with your husband in the mines.) I am sorry to hear this tragedy about Chad. May God bless you.
