“ I'll always remember how caring and thoughtful Granny was. Always wanting to fix the biggest meal possible for no reason at all. She was the most caring and down to earth person. She loved all of us coming to see her and never seemed to be to overwhelmed when we filed in! Heaven recieved a special angel Monday morning. I can't wait for her to greet me when my time comes! I can just see her now smiling down on us and praising Jesus! I love you Granny.

“ Dear Uncle Ray and Family,
I am so sorry to hear of your mothers passing. I know that words cannot help much at this time. But I know one thing she had a wonderful family who took very good care of her. She was surrounded by so many wonderful people. Every one wishes that they could be so lucky to have a family like yours. Just wanted you to know that I am thinking of you at this time. Love Always, Angela
