“ Praying for all the family at this difficult time. Chuck and I were great friends throughout school, however, lost touch when he moved to Richmond. He was a very special person and my heart aches for the family. God bless each of you in the days to come.

“ To all the family, our love and prayers to each one of you during this heartbreaking time now and in the days many days ahead. If there is anything we can do please let us know. I will never forget, after the funeral of your dad, Mike and I was up at the house, and when we started to leave Chuck brought me a beautiful flower arrangement from the funeral and said he wanted us to have that. Chuck was so a sweet person, will always remember him.

“ Dear Goodwin Family,  
My deepest sympathy on your loss. When Chuck and my sister Ellen were inseparable, the Smith family "adopted" him into our family and into our hearts. He brought us so much joy and laughter, and his kindness and love blessed us beyond measure. May you treasure each memory of Chuck as all of us who knew and loved him will as well.  
Praying that God will grant you peace of spirit,  
Virginia
