“ *I am so sorry to hear of the passing of friend and fellow classmate of 81. It has been many years since I last saw him but the memories of the times we spent setting at the Richlands mall parking lot and the old McDonald's each day with our friend Tim Atwell discussing the day's events and highlights seems like yesterday. The world is a little more darker now knowing you are gone. I send my condolences to your loving family I am so sorry for your loss. My you rest in peace my friend.*

He was a pistol. Worked with me for a couple years. My Uncle Gaines gave everyone a nickname. Chuck's nickname was Mahoney. I still called him that.💕💕

“ My heart is heavy today. My old friend and fellow dispatcher Chuck Shinall has passed. Chuck and I worked together for the State Police in Salem in the early 2000s. He was precious in so many ways and was an amazing dispatcher who taught me so much during the time we spent together answering phones and radios. I admired his calm and reassuring presence, and I adored his sense of humor. There was never a dull moment when Chuck was on duty.

My love goes out to his wife, everyone in Tazewell, and the VSP family during his loss. I will miss my sweet friend. 💙

“ So sorry to learn of Chuck's passing. I knew the Shinalls as part of our general neighborhood when growing up. In later years I often indirectly worked with Chuck when he worked for TCSO. He was a genuinely likeable person and his expertise in many fields was well respected. RIP dear friend.

“ Chuck, this world is a shade darker without your light. There are hundreds of stories I could share going back to my first midnight shift as a trooper, but I'll spare the details. In each and every one of those stories, Chuck is the hero on the other end of the mike. We had an all-star team that looked after us in Salem, but once Chuck found out that I was from Lebanon, we became buddies fast. I moved on from the Department before he retired but we just spoke a couple of weeks ago. This isn't goodbye; it's I'll see you soon. Rest in Peace and Godspeed Brother; I'll see you on the other side.

I remember the first time Chuck mentioned a baby trooper from Russell County named Rocky. Then lord, the stories he'd tell. "Rocky got into this or that..." or my favorite "guess what Rocky did..." I knew it was going to be a humdinger.

I am so sorry to hear of the loss of your brother. Many times staying at your house while in school I would see him. Those years sure flew by fast. At that time he was into getting that go cart track up and going. Many good memories which I know you will treasure and hold close to your hearts. Thinking of you and know memories can never be taken away.
