“ *To All of The Family, I am truly sorry for your loss. Dave was more than an employer, he was truly a friend. I loved his stories about life and he "was" a good listener. There will be an empty space in my heart. May God Bless You All.*

“ Our sympathy to you and the families of Dave Lawson. Our church family has been praying for Dave and the family for several months now. Jesse, a grandson, attends our church and we have been supporting him prayerfully, since he is so far away from the rest of the family.

Jesse enjoyed the time he was able to spend with his grandfather last summer.

Know that you continue to be in our prayers. May you find peace and comfort thru God's love, words and work through others as they reach out to you.

Grace & Peace to you

Pastor Sheila Swafford and the family at Mt. Zion East United Methodist Church.

“ Dave was a loving grandad who made the effort to connect and be involved with Jesse despite the challenges presented by distance. Jesse has often remarked how "Grandad really would listen and let him talk about my life." We know his memories of talks and times spent with Grandad will be special for always. Charlie and John and their families are in our prayers. May God bless and keep you.
