“ Charlie

It was time for you to finally go home - way too short for most of us. You will be missed more than you ever thought. The folks who's paths you crossed, the people that were in your life, even for a short amount of time, were all blessed to have known you. In all these years we've known each other, though all the chapters that were written, you were always good to me & Bill and have always been family to us. We will miss everything about you and I will miss you our daily calls. You will always be in our hearts.

Love Brenda & Bill

*PS. Thank you Kay for being there to take care of Charlie.
Love you.*

“ Charlie was my friend. I remember well the good days when we were boys working together in the hay fields and the Prayer Meetings at his parents home.

“ Charlie was my papaw. He was a great man to be around and nobody disliked him, He got along with everybody. Now he is in Heaven walking the Streets or Gold.
