“ Personally i didn't know her but my facebook wifey is her sister , so I'm here to send my prayers to this family . I pray god allows each and everyone of you to remain strong . I know what it's like to lose someone you love i lost my dad/ grandpa 9/16/16 then lost my mom/grandma unexpectedly 10/14/18 it's not easy . Everyday i just went them back but i wouldn't bring them back to live in pain and stress they didn't deserve. Remember this she's in a better place everything she had to suffer she's pain free enjoy the fact she doesn't have to suffer anymore nobody deserves to suffer everyday may she Rest In Peace and her memory forever live on 💜💜💜💜💜
