“ Shirley, Effie I am so sorry to hear about Chapman, I never found out about it until late last night, and then was unable to get to the funeral. Shirley, I guess the last time I saw him, he was with you up at Goodys before they closed. It is going to be hard, it will be like giving up your child, because you do not take care of a child for years and not feel like they are a big part of you. You have my Deepest Sympathy, and if there is anything I can do or you just want to talk please call. Dottie
