“ After many years of visiting Jewell Ridge, I will always remember Father's Day picnics with Claude, having breakfast in their kitchen with biscuits and gravy, sitting on the porch and hearing the stories of the ridge and Sunday dinners with the whole family in the dining room. He loved Reka and their family so much. I also remember his garden and how big it was! Another time I had the privilege of spending time with Claude was when I painted his porch and sealed the brick on the sidewalk. We had great visits while we were making molasses, too. Mike and I will miss him. God be with all of you and give you comfort and peace.
