“ My Uncle “Pete” occupied such a special place in my very early years on this planet. He was gentle, funny, kind and one of the most loving men I’ve ever known. While I’m grateful he is at peace now, I will miss him dearly and am eternally grateful for the love I always got from he and my Aunt Kay. Angie and Tara, I know of your grief and hope that your faith will light the way through this most painful of times. I love you all and know that your dad is in a better place than this harsh world. “Tammy”
