“ *Although I have never met the family I was sorry to read you had death In your family. May the tender mercy that God has always shown be with you now so you will know that you are not alone and may the prayers of others help in some small way to bring you strength and comfort and courage each day. Soon God will actually swallow up death forever, and the Sovereign Lord will certainly wipe the tears from all faces Isaiah 25:8*

“ I knew Conda as a young boy growing up at Witten's Mill and attending church at Mudfork Church of Christ. I worked with him as a sponsor of the youth program there. He was a very caring person, always thinking of others first. My thoughts and prayers are with you during this time.

“ Several years ago Conda taught me in a class called WRAP(Wellness Recovery Action Plan).Conda and that class were the beginning of good things to happen in the way I lived and felt about myself as a person. Our prayers are with Conda, his family and friends. I am sorry I was not more of a friend and supporter for Conda. I will miss you.
