“ Kayla and Travis, I don't know if you remember me but I use to work with your Dad, we actually took you guys with my son Brad to Hungry Mother one time when you all were young, we had such a wonderful day. He was always so kind to me, you two may remember that I had a pretty big crush on him:) But at that time he wasn't the type to settle down, don't know if that ever changed. I am very sorry for your loss. Mildred Mullins (now Ketron)
