“ *My sincere condolences go to the family and friends of Cora Lee. My deepest regret is that I had not known she was so ill. I had not seen her since she was 15 years old. I would of enjoyed getting to see my little sister again, to know what she looked like. What a blessing it is to know she enjoyed going to church, drawing and breathing in the smells of her garden. I know that she is now seeing all the sights of heaven. It is clear she had a loving family that cared so much about her. I hope that someone in the family would find it in their heart to write or call and share with us about Cora's life. Sincerely, Rev. Donald & LeeAnn Bowling*
