“ Please accept my condolences for the passing of your dear love one. Losing a love one in death is the most painful experience a family will ever have to cope with because death and sickness were never a part of Jehovah God's plan for mankind. It was a penalty for disobedience in the garden of eden. (Genesis 2:16,17) God loves us so much he created us with a desire to live, not die. The Bible tells us @ Ecclesiastes 3:11 he has put eternity in our hearts. He has made a provision that his original plan be fulfilled. (John 3:16; Isaiah 55:11) May God continue to bless and comfort the Gibson family.
