“ How blessed were you and Tori to have had this very special man in your lives. From the first time you handed Tori to me when she was a baby I will always remember the look on Pete's face. Proud! Proud! And you the love of his life. I loved Pete dearly and there was always that big hug and the laugh to look forward to. He taught us all what it meant to live life to the fullest and how to face adversity with a calm and abiding faith. We are all better for having been a part of his life.

“ Karen I can not tell you how sorry I was to hear of Pete's passing. I did not know that he was so sick or I would have been to visit. Pete was a dear friend to me for many years. I am sorry that I have not made the occasion to be with him more in recent years. If there is anything that I can do to help in any way, please call me. I plan on being at the service tomorrow.

“ I attended the cardiac to paramedic upgrade at the CHS in Roanoke, VA with Pete and worked with him in the early years in the Roanoke EMS department. I remember him as a very robust and funny guy. I enjoyed working and studying with Pete. A friend advised me that Pete had died and I really felt a deep sadness overcome me. Pete will be missed....A truly fine individual he was.

“ Karen and Tori,
Words can't express my sympathy for you both. I remember the first ACLS class I took, Pete was teaching a portion of the class. He was leaning back in his chair and it toppled over. Everyone wanted to laugh at him but were afraid to until he started laughing so loud that we all joined him.
Keep your precious memories of him and he will live forever in your hearts. May God Bless and Comfort you.

“ *I love Pete! He's the guy you look forward to seeing! It was his love for life combined with his "everything will be alright attitude" that made it enjoyable to be in his company. He was a good listener as well as sharing awesome ideas. He always encouraged me to go for it and he didn't sit by waiting for things to happen either. He would go for it! He was just a big love and he will be missed by so many. His life was made complete by the most fabulous family. It was something to see Karen, Victoria and Pete interacting-they were quite the trio!! They were always having fun. My heart is with you Karen and Victoria, you both are remarkable. I love you. “ I happened upon this notice and my heart goes out to the family of Curtis Chaney. Though I do not know the family I wanted to convey my sympathy and share with you the thought from the bible that I look to at times such as these. Our heavenly Father Jehovah is a God of love and he hates to see us in pain. This thought is supported at Revelation 21:3,4 where it promises that all those in the memorial tombs will come out. What a time of celebration when we will be crying tears of joy instead of sorrow. I again am sorry for your loss. With sympathy, Jo Edwards

“ I knew Pete when he was my neighbor in the dormitory at the College of Health Sciences. He was a nice person, really good guy. Always smiling, pleasant, ready with a joke - and he loved to laugh. I'm really sorry to hear of his passing, especially at such a young age. His family is in my prayers.
