“ *Had I found out about the passing sooner I would have been there. He was one of the funniest Marines you could know. You couldn't talk to him without laughing. He had a true gift of making a bad day great with his humor. And I don't think that there was one person that did not enjoy his company. I'm proud to say that I served with him in Iraq. He will be missed by many.*

“ To your family,

I am very sorry and sadden to hear about this. I can only imagine the pain one can go threw with losing a child. When I first saw this I didnt believe it. I didnt know him as curtis or even allen, just "dale." or the guy with all the hair who worked at the armory. I will keep you all in my heart and I hope you can all find peace in knowing he is in a better place. A funny thing about him was no matter how dirty your rifle might be he could care less. As long as he knew you he would turn it in. He wouldnt have you run all over base trying to clean the stupid thing. I always knew everytime I went there to clean it or pick up gear and I saw him I was sure to get a good laugh. And sure it enough basically everytime it was like clock work. "hey man theres dale" smoking on the steps with not one care in the world. He was an amazing person and always hilarious and I will sure miss him. It was good times buddy and you will be forever missed.

“ There are no words to describe the sorrow I feel in hearing about this tragedy. Allens passing will most certainly leave a void in the hearts of all those who had the pleasure of knowing him. Always kind to me and a devoted friend, Allen always had your back, truly a gem. Our deepest condolences and prayers go out to his family and friends, stay strong and may God watch over you all. From a United States Navy submariner, Ooh-rah, fair winds and following seas, and thank you for all that you've done, to Allen and to his family for raising and supporting such an exceptional man and a fine Marine.
