“ *I'll never forget David's kindness when I visited Memphis for the first time. He was my tour guide, driving Peg and I around Memphis and showing me where Elvis had lived. We all shared a nice dinner with Memphis BBQ and then saw the ducks walk at the Peabody. Afterwards, he slipped away and bought a small print of the duck walk as a souvenir for me. It still makes me smile today. I know that such a kind- hearted man is going to be missed by all his family and friends. I will keep all of you in my prayers.*
