“ Dearest Bren & The Entire Family,
May God bring you comfort during this most difficult & heart
wrenching time. I am not the best at putting into words my thoughts,
but I found a poem most appropriate for how I am feeling. Please
know these words come from my heart as well as the authors.....

Your loved one has left this world
And has taken that Heavenly flight
It's supper-time there in Heaven
Where there's no parting nor night.

It's difficult to say "good-bye"
To the one you loved so very much
Trust in God and His divine plan
We hope you feel His gentle touch.

We pray God will Comfort you
And send Angels from above
Giving sweet peace within your heart
Surrounding you with Eternal Love.

We are sorry for your deep loss
There's so little we can find to say
You are in our thoughts and prayers
As we grieve with you today.

With Our Heartfelt Sympathy

From The Heart

*When tomorrow starts without me and I'm not
there to see*

*If the sun should rise and find your eyes
all filled with tears for me*

*I wish so much you wouldn't cry the way you did today
While thinking of the many things we didn't get to say
I know how much you love me, as much as I love you
And each time that you think of me I know you'll
miss me too*

*But when tomorrow starts without me, please try to understand
That an Angel came and called my name and took me by the hand
And said my place was ready in Heaven far above
And said that I'd have to leave behind all
those I dearly love*

*But as I turned to walk away a tear fell from my eye
For all my life I'd always thought I didn't want to die
I had so much to live for, so much left to do
It seemed almost impossible that I was leaving you
I thought of all the yesterdays, the good ones and the bad
I thought of all the love we shared and all the fun we had
If I could relive yesterday, just even for a while*

*I'd say goodbye and kiss you, and maybe see you smile
But then I fully realized that this could never be
For emptiness and memories would take the place of me
And when I thought of worldly things I might miss, come tomorrow
I thought of you and when I did, my heart was filled with sorrow
But when I walked through Heaven's gates, I felt so much at home
When God looked down and smiled at me from His great golden
throne*

*He said, "This is eternity, and all I've promised you
Today your life on earth is past but here life starts anew
I promise no tomorrow, but today will always last
And since each day's the same way, there's no longing for the past
You have been so faithful, so trusting and so true
Though there were times you did some things you knew you
shouldn't do
But you have been forgiven, and now at last you're free
So won't you come and take my hand
and share my life with me?
So when tomorrow starts without me,
don't think we're far apart
For every time you think of me, I'm right here in your heart*

“ *Brian, there is not anything anyone can say or do to take away the hurt,pain and emptyness you feel inside during this difficult time. I can't imagine nor do I want to think about what life would be like without my loved ones. Life is a journey everyday. We are not promised tomorrow, all we have is today. Brian don't take life for granted enjoy life with your boys before they are grown up and remember the good times you had with your wife. God Bless You!*

“ Sweet Brenda, Roger, Christopher, Mikie and all of Cissy's family...I am so very sorry for your loss of your dear loved one, Cissy. It is so hard to know the right words to say at a time like this. Please know that my thoughts and prayers have been with you all, and will continue to be. Here is a poem I wrote that I hope will help you all at least a little.

~Holding Our Hand~

~~*

*Though we feel heavy sorrow
We never will understand
There is Someone with us
To hold onto our hand*

~

*He will walk with us
All along the way
Whether it is happy
Or a sorrowful day*

~

*In His Word He told us
We could not comprehend
If we knew all the answers
Before our journey's end*

~

*Through the devastation
Of life's pain and heartache
Without God, friends, and loved ones
Our heart would surely break*

~

*Let us try to feel the compassion
Of all who wish to share
Open our hearts for the tenderness
The love, hope, healing, the care*

~~*

“ My deepest sympathy goes out to all of the Tabor family. I worked with Cynthia at Cimarron and was one of her dispatchers. When I heard the news that morning, I was so shocked because I had just talked to her the evening before. I wanted to be at the funeral to pay my respects, but I had to work. Cynthia was a very good and kind person and I will miss her. I'm so sorry for your loss. May God Bless the Tabor family.
