“ Mom, you were so beautiful and so amazing. I remember when we used to sit and watch Titanic or Steel Magnolias together. That was our time together and I loved it. I remember when I had my first heartbreak and you held me while I cried. Things may not have always been great for us but you were my mom and I know that regardless of anything you loved me and I loved you. I made mistakes and I feel as though I disappointed you but just know that I am going to continue to turn my life around and do the things that you and I talked about. I am going to make you completely proud. I love you mommy so very much. Fly high my beautiful angel.

“ A beautiful person inside and out. Cindy was a great friend to me beginning in middle school and through high school. We reconnected in 2015 but it felt like we hadn't been apart...we caught up on everything and when my husband passed away she reached out to me and encouraged me to remain strong. I pray for her family and friends to find comfort during this difficult time. May the memories of the life lived by Cindy and the unconditional love she exhibited bring smiles through the tears in the coming days weeks and years.

“ I went to school with Cindy and we were friends and graduated in 1990 together. I want the family to know that I am sorry for their loss of a great person. She was always a genuine and a sincere person. She was always a caring and loving person and always had a smile on her face even when she was hurting the most. I know she was good to me and most people in our class. She was a very smart person. She is in Heaven with her sweet Mother Pat. They are in Heaven together now...may them know we miss them but we look forward to seeing them one day. Fly high Cindy..I know I will miss you very much and see you one day again. Love you always!!
