“ *I remember being up on the farm in Tazwell and Grandma making biscuits and gravy for a whole house full of people. She had such a gental smile. She would look at us "youngins" with the warmest smile and say, " Looord, just look at you. " And then that soft loving smile with warm blue eyes was followed up with a little giggle. We love you Grandma and look forward to spending eternity with you in Heaven! In His strong love, Dale*
