“ Dan had a smile and joy that just made you feel good inside. He always found the time to share a hello and tell you that you matter to him. I appreciated his zeal and hunger for life. If the world had more "Dans" in it, it truly would be a better place. May God's love surround all of you and keep you. May memories of Dan's laughter and love and caring ways carry you through the days, and weeks, and months and years ahead. Love and prayers to you all.
