“ *Jane and Family,*
We are saddened to learn of Danny's death but rejoice that he is no longer suffering and has made his journey home. He has shown remarkable courage through all his time of sickness. May God wrap His loving arms tightly around you all and comfort you during this time of grief.

A Message From Heaven

*I am not so far from you
Just a little way beyond
Past the cares and past the pain
Far past my earthly bonds*

*When you feel you miss me most
As years go drifting by
Each memory will prove to you
That our love will never die.*

*For memories are but a touch
From the Father's gentle hand
To heal your pain and mend your hearts
To help you understand*

*That while I left you far too soon
I did not leave alone
For the Father sent His angels
To gently take me home.*

*Take comfort when you think of me
Keep my love alive in your heart
And with the warmth of each memory
We will never be apart.*

“ *Jane,
We are so sorry to hear about Danny.
He was a good person and has suffered so much.
Remember he is in a better place then we are,and he can look
down on you and smile and be in no more pain.
Wish we could be there,if we can do anything just let us know.
We will keep you in our prayers.
