

## Danny E Brown

June 26, 1947 - October 27, 2013

Mr. Danny Eugene Brown, age 66 of Sanford, Florida, formerly of Richlands, Virginia was surrounded by his loving family as he gently drew his last breath on Sunday, October 27, 2013 following a lengthy illness.

He was born in Richlands, Virginia and was the son of the late Audney and Virginia Dawson Brown. Danny was a graduate of Richlands High School class of 1966. After graduation he served his country in the U.S. Army during the Vietnam conflict. Danny had learned to play the trumpet in high school and was presented with the John Phillip Sousa Award and continued to play while in the Army. He considered it a great honor to play taps at a soldier's funeral. He enjoyed playing softball, shooting pool and trips to the Casino. He was a loving father and grandfather who had worked for the Railroad and later in life as a factory worker in an industrial plant. Danny loved to spend time with his family and just doing his own thing.

In addition to his parents, he was preceded in death by his brother Jimmy Brown.

He is survived by his:

Daughter: Allison Smith and husband, Stephen of Sanford, FL

Sons:

“ *Death ends a life but not a relationship. Will never forget all our times, good and bad. Danny was a very close friend and a very special person to us. He has spent the night with us many times and we would laugh constantly. Can't replace a friend of 50 plus years. Many tears have been shed in this last week but thankful Danny was right with the Lord before his passing. This man will be truly missed at our home whether it was in person or on the phone. His memory will always be here. God Bless the family.*

“ *Sorry to hear of Danny's passing. He lived across from my Dad's church in Indian Creek. We became very close and hung around together. Danny and I would get together every week to watch the Red Skelton show laughing until tears flowed. He was a good friend and will never be forgotten. His smile will light up heaven.*

“ My "brother" I never had. We were in band together for years. I will never forget the batons broken by our mentor, Mr. Doug Turpin/ band director at RHS until 1966, when Danny would do his own thing on his trumpet. I can't even start to guess how many times I had to find his band jacket. I tried for years to find him/ now I know where he is. We will see each other again someday. Taps will now have a stronger meaning to me for my departed friend. Family, my prayers reach out to you. May The Lord give you the strength to get thru this difficult time for you. I ask you to keep faith. He is now playing his trumpet for our Lord. Danny, Bill Horton (also played trumpet) , & Tommy Hunt (Drum Major) are making music together again. Danny you will be missed / memories will last a life time. God Bless You,  
Your "Sis" Linda Whitt (maiden name), Joyce ( first husband's name),Pendry (last name now)

Don't forget Ralph Goodwin. He played sousaphone at my urging. I was there when we buried Tommy. His family came by my apartment to give me the bad news. I think it was a Sunday morning. And, for Danny, he was a wonderful kid to work with. Its hard losing one of your own. For many of us the band was our extended family.
