“ *My Uncle Danny was my hero. As a little girl he would pop by for a visit every now and then. He was good at showing up looking different every time. I remember when he brought his Eskimo wife to visit and she made bread that was so hard that my Uncle Billy could jump up and down on it.*

I always secretly pray that I will get a phone call and it will be Uncle Danny. I will always miss you and I want you to know that I will never forget you. I love you Uncle Danny
