“ My memories of my childhood are instantly awakened at the mention of my cousin "Doodie". Didn't know her given name (Darla) until we were at or near our teenage years. One of my favorite things in earlier years was our visit with Aunt Bonnie and her youngins'. Had so much fun with them, and I learned a lot of fun things and mischief from the older boys...lol. I thank God for making us a part of each others lives. It would not have been the same without them. Loved my cousin Doodie. Our thoughts and prayers go out to the family....Marty Farmer

“ *The Worley family was well thought of in our community. I graduated with Raleigh and knew most of his siblings....all great people. I did not know Darla. She graduated while I was still in college and away from home. My prayer for the family is that you will find comfort and take some solace from all of the great memories that you have of Darla. God bless you all.*

“ *I remember being her neighbor and friend. We would go to Walmart late at night and shop and people watch. She was my partner in crime. I'll never forget how much she loved my kids. Especially summer and how she loved to get her to argue with her. 💔*
