“ I have been thinking alot about the days of long ago. Tammy you were a child. If we went anywhere, it was with your mom and dad. Judy was the best friend I had and Brad too. Brad has been like a brother to me, Kaye and Arlene. He has been a part of our lives for a long time. It is hard to think of the rest of life without him, but I trully believe that he is in a much better place than this world. I will not get to come to services today. My heart is there. I have meetings until around 800 Pm this evening. Tammy if you need anything let me or Jack know... God Bless you Sue, Kaye, Arlene and families
