“ My sympathy and prayers go out to the family . I only met Darrell a few times but felt like I had known him all my life; because of the many stories my late husband Carl told of their times together . Carl considered Darrell one of his best childhood friends May God bless and keep the family in this most difficult time.

“ I knew Darrell all my life. We leaved on the same street in Richlands, VA. I grew up on Rockbridge Avenue. My whole family knew him, played with him; and went to school with him. He was a wonderful person and friend. Prayers go out to his family.

“ My dear sweet friend, I'm gonna miss him. Have so many memories of time spent with us in Cardiac Rehab. His hugs and laughter, his wonderful smile, and the little pranks he use to play., especially all the picking on Ms. Ruth. He left a testimony of strength and Godly character. RIP my friend. Kay and family, I know you're gonna miss him. He dearly loved you all. He will be missed.
