“ *David, Linda, and Anthony:*

Words cannot convey the sorrow I felt when I learned of David's passing! My heart breaks for your family, because I know how close you were. However, at the same time I hope that you can take comfort in the fact that you were so close. David was very blessed to have such loving and devoted parents, and such a wonderful brother to share his life with!

My thoughts and prayers are with your family for the days, weeks, and months to come.

With Love,

Angie

“ *David, I watched you grow from a 12 yr. old boy who even then , dwarfed me in size, to a larger than life young man that I loved and am so proud to say I knew. You were a good man and friend to those that loved you. You were not a perfect man, but then I've never known a perfect man. Your smile, like anything David, was large and contagious. I guess that's what makes this so unreal, that the young man I always saw as larger than life has been taken. Death has taken you from us, but you will ALWAYS be in our hearts. There will be very few things we ever do again and not remember that David was once here! God keep your family as only he can. God give you rest. Love always*

“ Dwayne, it just doesn't seem like this has really happened. I can't believe that you are not here with us anymore. I miss you so very much!!! I miss our long talks on the phone about life, family, and nothing. You were more like a brother to me than a cousin and I miss you more with each passing moment. You were so special and one of a kind. There is no other like you and there never will be either! Why did such a terrible disease happen to such a terrific person? You fought such a long and hard battle and you rarely complained about anything that was going on in your life or your health. You always said that you were doing fine and then I would later learn that you actually were not fine, you were just trying to cushion everyone from worrying about you. You always thought about everyone else before yourself. I love you so very much. I promise I will do everything I can to be there for your daughters. Your spirit and good cheer lives in sweet Annie B and she is such a joy. I will do what I can to help Angel and be there for her in whatever she needs. Dwayne I love and miss you so very much! Life just isn't the same without you!!
