I will always remember D.P. His memory will always linger in my mind. I think of him as a hard worker and always being there. He has been a good friend and brother in law. May God bless his family and forever bless his wife for all the pain both he and she has had to endure until he was called home. Comfort his family and give them strength to go on. Bless his wife for all she has done for him and may she find peace in knowing she was always there for him and did all she could for him. Love you Trinny.
