“ I worked with Debbie at CVMC and she also knew my mother. I know her daughter Krisiti who sold me the house that I am living in today. Debbie was a kind and generous lady. I am so sorry for this family's loss! She is now in a better place though; no longer having to struggle and be in pain. My thoughts and prayers go out to those she left behind. <3

“ *Debbie was so good to my daughter Laura. She was a second mom to her. Debbie just made her a part of the family. She was always good to anybody. Friend, patient, or someone she just met. She's loved by everyone and everyone loves her. She will be missed from our eyes but never from our heart.*
