“ My deepest sympathy goes out to the entire family. I first met Debbie at Lavalette Foodland as a co-worker, but she was a friend from the day I met her. I don't think she ever met a stranger - she was so friendly and funny. We had lost touch the last couple years but I would see her from time to time, while I was shopping at Wayne Walmart. I will never forget her memory and smile. I will pray for your hearts to heal.

“ I was so sorry to hear about Debbie. I just want you all to know how much I loved that lady. When I was in high school with Josh, Debbie was like my second mom. Through the years I lost touch but I think of her and you all often. The last time I got to see her she told me she had been sick but was doing better. I wish I had known she was sick again. I would love to have spent some time with her. If I can do anything to help in anyway please let me know. Love and prayers!!

“ I met Debbie about 5 years ago and we hit it off as if we had known each other for years. We shared our love of the Lord and I will miss her but know that she is singing in Heaven and we will take up where we left off when I make it there. My prayers are with the family she loved.
