“ You were the most strong minded, loving, and caring woman and mother I could have ever met. You loved me no matter what and forever I'll be grateful to to call you my GrandMother. We always had our ups and downs but at the end of the day you were the love of my life. Thank you for always showing me the way. Letting me know you cared and thank you for loving me the way you did. You were and always will be one of a kind and you were all mine! I love you more than the sky.i miss you more than words can explain!
Forever Your Nicole.
