“ *Patricia , just found out today about Dennis. So sorry. We talked at Christmas and planned to talk again soon. Regretfully that won't happen now. We had reconnected as cousins in the last few years and that was great. I will miss that. Rest in peace "cuz". Love you. Tell everyone hi and I send my love.*

“ Dennis and I go way back working together at Disney. He always had the magic touch creating beautiful landscape scenes. He always had a positive mood, and would go out of his way to help someone. The memories we shared are so precious to me. I will truly miss him.
