“ *Denver was for sure his own person, like you said, what you saw is what you got. He will be missed by so many. It will be so different knowing that he isn't right across the road. He has been a wonderful friend one that I won't ever be able to replace. Please let us know if there is anything we can do to help.*

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side.*
