“ Don was my brother in law. He always called me his favorite lil sister in law probably because I lived right across the street and saw him every day! He was a great father and husband. I already miss him more than you can imagine. He was a great man he would give you the shirt off his back if you needed it. He fought a long hard fight but is no longer suffering and that is comforting!!! R.I.P Donald Maynard I love you
Love always
