“ *Papaw Don was like a Dad to me. He was kind, loving & very giving to all who knew him. He loved to garden & raise chickens. Him & Mamaw Goldie loved to share their fruitful crops from their garden. I cannot find enough words to describe his goodness. He loved to talk & never met a stranger. I thank God that he was a part of my life for 44 years. I will miss you Papaw. I love you.*

Ruby and family, I pray God will give each strength to get thru these tough times. I have the fondest of memories with your sweet Momma and Dad. I've went to your home on Smith Ridge several times with my own Momma Ada Norine Jewell as she'd visit with them and then of course as we'd leave there'd be either flower starts &/or veggie plants that each would exchange---Momma would have taken extras she had to share with them and they in return looking at their extra plants and sharing. Keep your memories kindly tucked away because their the one thing nothing can steal from you. If I can be of help, please don't hesitate contacting me.
