“ *I spent many of my childhood weekends at the home of this precious lady, she was the dearest thing ever! A first cousin but her daughter Beth and I were the same age and were best friends and thick as thieves as they would say lol, how Donna Sue with her sweet patience ever kept up with us is a wonder! Years later when I had cancer, this sweet soul called me in the hospital just to tell me how much she loved me! She's always been my favorite, always and always my sweet Lady!*
