“ *Erma, We are so sorry to hear about Donna. We did not know until yesterday. I know there are no magic words to say that will ease the pain of your families loss. We will keep you and your family in our thoughts and prayers.*

Donna and I were friends all through school. After school we seemed to start our own lives and did not keep up as often. Donna and I always made a point to talk when we would run into each other out in town. Donna was a wonderful and kind person to know and talk to. Donna will be missed very much by everyone whose lives she touched.. and always remembered.
