“ *To the entire Church family and relatives. I was so happy and surprised to see this. I did not know of Donna's passing until after the funeral. Ron and I have moved to Durham, NC. I love all my special Church girls and my heart is broken for your loss. I saw Donna at " Your Grate Escape". About 2 years ago. She told me she was gravely ill. Smiled and assured me we would see each other again, in heaven. I know it is true. My love to you all. 919-973-4503, 276-708-5010, address 1307 Pulitzer Lane. Durham, NC 27703
Would love to hear from you all. Sandra*

“ I remember the first time my wife Holly and I sat down and talked with Donna and Brian as she was sharing all her struggles at the time; all the while she maintained a smile on her face, determination in her fight and a happy lift in her voice. On the drive home we were talking about the evening and both shared our amazement over what an incredibly strong, genuine and inspiring woman she was. I know in my heart that even today she is smiling, cheerful, beautiful and still inspiring people both here and her heavenly home. What an amazing lady, we feel very fortunate to have known her for the short time that we had.

“ Years and years ago, Donna brought a ray of sunshine into our church and our lives, as I know she did for everyone she met, with her beautiful smile that radiated peace, joy, and happiness. Church was a place that Donna was at home! Behind the scenes in the church, she gave to so many people that was less fortunate than she, but no one ever knew because Donna didn't want them too. Donna never saw a difference in one's who had the most or had the least. She gave in different way's, but the best of all blessing's was to have Donna in your life. She was certainly God's child, and we are so thankful to have been blessed to have her in our lives. Thank you God!

“ My first thought after hearing of Donna's passing was that I hoped Linda would be among the first to greet and welcome Donna into Heaven. She loved Donna so much here in our earthly world, I just cannot imagine that she would not be one of the first to greet her in Heaven. I know Heaven is full of good people from down here, but I just cannot help but believe Donna and Linda are among the bright lights and representatives of wonderful people just waiting to get there. I love you Donna Church Webb!

“ Donna was a ray of sunshine in our lives for many years. A memory Donna left us, as we know she did for so many, was her beautiful smile that brightened each day. Behind the scenes in the church, Donna helped many people, and only God knows because that was how Donna wanted it too be. Her smile is so much brighter now that she is with her son, and her God.

“ Just wanted you all to know that I am thinking of you. She was one in a million and I will never think of her without seeing that beautiful smile and the light in her eyes. May God be with you all and bring you the comfort that only he can.

“ *The first thought I had of Donna after hearing of her death was that big beautiful smile she had and it has to be even more beautiful now that she has joined so many that have gone before her. I am so sorry for her family and friends because we all loved her, She had that personality that caused you to radiate toward her and enjoy her presence. I want to thank our Lord and Saviour for allowing me the opportunity to have called her my friend. May God comfort and give you peace now and in the days ahead for she will truly be missed.
