“ Donny we shared so much in the 5 years we were together. I cherish our love and memories. I'll never forget the day and way you proposed to me. I still have my rings! You were so special to me and taught me so much. All those little things still come back to me. You would say "reckon it'll rain" you was such a caring, loving and good man to me. We had something special and I carry your spirit with me always. It's been 10 years and some how you are still helping me get through life. I was blessed to share 5 years with you and would've been proud to be your wife! But God had his reason for taking you so soon. I Love and Miss You so very much!

“ I loved Donnie like he was my own dad, Billy you and Wallace were truly blessed to have a dad that loved you and was always there for you. He was one of the sweetest people I have ever met. One thing that stands out in my mind is the night I went into labor with Little Roy and you all had just barely gotten back to North Carolina when you all had to turn around and come back to Richlands. I know everyone had to be so tired, but you all had to be here to see him arrive. That is one of the happiest moments in my life and I am so blessed to have shared it with you all. Wallace And Bill just think about all of the times you all had together and cherish those memories and remember he is not gone, he is still in our hearts and he lives on everytime we think about him and a smile crosses our face. He is there right beside of us. I love you all and will keep you in our prayers. Love, Tammy, Roy, RoyIII, Dove, Freddie, and Mary

“ Billy, Wallace and all Family,

I am truly saddened to hear of Donnie's passing. I know that you will miss him very much. Just remember all the times of laughter and joy that you have shared through the years, and it will ease the pain somehow as the memories bring a smile to your face. May God hold you in his arms of grace and allow you to heal and to always remember the good times that you each had with him...May God help you through your time of mourning and give you peace that only he can give.
