“ *I worked with Faye many years ago while I was in Nursing School. What an inspiration she was to me. And WHAT a devoted nurse she was. Best role model a new nurse could ever have. My prayers are with you. May the Lord place His arms around you and guide you through this hard time. Please remember the lives she touched in a most positive way. Both patients and co-workers. I thank the Lord for sending her to me to guide me into my nursing path! Such a joy! Peace be with you.*
