“ To Dottie's Family,
Dottie was the sweetest girl I've ever met. She always had a smile and a kind word for everybody. As children, she, David, and myself played together nearly every day. Seems like it was just yesterday I could hear Mae calling for Dottie and David to come home. So unfair to me why such an earth angel like Dottie had to leave. I guess God needed heavenly angels, as well. I will never forget her loving and caring ways. God will hold you all in the palm of His hand and soothe the pain and grief.

“ Dot was a gret person with so much humor and kindness. She spent her entire adult life caring for her parents and son. I know that Michael and Shawn and Todd will have an empty hole in their heart without Dot; but I know Dot is at the throne of God tonight. Her work on earth has been finished and she is at rest.

“ You are in my thoughts and prayers. Dot was truly a good woman and I will miss her more than you will know. She was more than a sister-in-law to me she was a much loved and dear friend. Her faith was truly inspirational.

“ Doris was a good friend both in school and out. Unfortunately, I did not get to see her as often after graduation. When I did see her, it was as if time hadn't passed at all. I want her family to know that she was a good person and friend to me and others and she had a great sense of humor. I am just sorry to not know that she was sick, cause I would have liked to have visited her. She will always be in our hearts, minds and memories. We love you and miss you RHS Class of 1976.

“ I was so very sorry to hear of Doris's death. I went to school with her and always thought she was such a sweet and caring person. After graduation, I moved to Bristol for 18 years and therefore did not see her over the years but do have fond memories of her. Please know my thoughts and prayers are with all the Family. May God Bless you all during this most difficult time. She will always be remembered as a true friend from the Class of 1976.

“ Mike and Family--Please accept my heart-felt sympathy in your loss. You and your family are in my thoughts and prayers. Doris and I first met at RMS in the seventh or eighth grade and we have been friends ever since. When we saw each other through the years, we picked up where we had left off the last time. So, the next time I see Doris in heaven; we'll pick up where we left off. Only this time, we have an eternity to talk about things. When I think about Doris, I think of II Timothy 4:6-8. May God wrap his Loving Arms around you and your family during this time.
