“ Carol, Paul Ellis, Barbara, Ruth and Robert, David and Eva and each of your family members,

I am terribly sorry to hear about Aunt Dorothy's death and the empty spot she will leave in all of our lives. Each of you have my prayers and sympathy at this most difficult time. Her presence in our lives will be sorely missed.

We have all benefited from her wisdom honed by being the eldest among us. Even when ill, she always expressed such gratitude for years she had been given and for simply being alive.

While I am unable to make the trip to join you at this sad time, please know that I am with you in spirit.

May the memories created through the years sustain and comfort you.

*With love and sympathy,
Sue Burke Wood*

“ *"Slick" & Bonnie, and Family,*
I am so sorry to learn of your Mother's death. She was such a lady. I'm sure Mom has already greeted her and they are talking over the times they had in the Eastern Star. You are blessed to have had her with you so long a time and I know she will be missed. As you know I'm still trying to stay off my leg so I won't be able to be with you. I will keep you in my prayers. May God comfort and guide you as you deal with your loss in the days ahead.

Love,
Jane Ellen
