“ *Dear Randy, Ronnie, and family,
I love Dot with all my heart! She has been so good to me and our family. We have lots of good memories that will always be with us. She mothered me after my own mother passed away, and it means so much! I pray for all of you during this difficult time. Always have faith and trust in the Lord as she did. She loved her children more than anything in this world. I know this as we've spent many, many hours talking. Cherish your memories, celebrate her life, and how she made a difference in other lives!
Love, Jackie and family*

“ Dear Family, I know you do not know me but Dorothy was a big positive influence in my life. My mom Shirley worked with her at the Mattie Williams for many years. Dorothy claimed me as one of her own grandchildren. I'll never forget the love she shared with everyone see met, her warm hugs, and that big beautiful smile. For the last few years I've tried to make a point to call her on her birthday and wish her well. As a little girl she never forget my birthday and would always fix me fried chicken (her's is the best you'll ever have). Her life was one that we can all admire. God gave her the gift of love and she never failed to share it with others. I will truly miss her, but I know that I will be able to see her again very soon. I know she is rejoicing with the angels and looking down upon us now. May God's peace and love comfort your hearts and ease your pain. Just know that Ms. Dorothy was admired and loved, and touched so many lifes and through those lives she will live on. All my love and prayers.
