“ *Sincere sympathy is sent to you from an old friend of Dorothy's from our high school days. I had not seen her in many years, but the last time I did see her, she had that wonderful, sweet smile and had not changed one bit. She was a true friend. I treasured her friendship. She was a good, good person. May God bless and comfort you during this most difficult time. I know she will always be in your heart. Will be praying for your family.*

“ *I am saddened to hear about your loss. Dorothy Halsey was a faithful, caring friend who has kept in touch with us and sent cards to Mother over the last 5 years. While living in Baker Hollow, Mom always enjoyed visiting with her. For many years now, she has considered Dorothy to be her best friend. I will miss Dorothy and long remember her for her kindheartedness. Peace be with you.*

“ To Dorothy's Children and Family:  
Your mom has been my friend since high school. We shared many memories together and lived to laugh about them. She was my friend and I hers through times of sadness, riches, poverty and death. I never saw her that we did not talk and hug after we got older. She is a friend that will never be replaced and she knew that. She will be my friend until I pass. I will miss that smile and the gentle way of talking. I learned from her that friends don't make a big fuss about being your friend, they just there, a steady force of friendship. God cause his face to shine on you all. If I can help in any way just let me know. Good Night Lovely Lady I will miss you for now but will see you in the morning.

“ Just wanted to send love and prayers to Dorothy's family and friends. She was my mother-in-law's bff. She was wonderful to be around and always seemed to have a smile on her face. I'll never forget that her big "cruise" trip was, "Not her cup of tea." She will be greatly missed.
