“ This is so heartbreaking Doug has always been such a great man. He was always so good to my son and spoke to him with such care and kindness. He had a heart of gold. Every time I seen him he would always come up and talk to me and carry on a conversation. He lived near my family for years now and has been so kind to each and everyone of us. He will most definitely be missed. R.I.P. Doug!

“ Doug was like a dad to me for over 10 years. No matter what he always tried to protect his family and us girls. He loved my grandmother Frances Standfield and took me and my younger sisters in as his own. Even though he was in pain he always seemed try to help everyone. He was goofy, aregant, and strategic, but it was always in a way he thought would help everyone at the time. I hope my family and his get through him leaving us. It'll be hard but I know he'd want all of us to look after each other. I miss you poppaw! I love you and I wish you were still here! I can't believe the closest thing to a father after mine passed in 2006 has joined the angels as well.
