“ *Saddened to hear about Doug "Snake". Danny worked with Snake for many years at Jewell and he was a great friend to us. He helped remodel our home. No matter where you saw him he was the same great person. We will miss his visits to our home. Sorry to say that Danny is out of town and will be unable to be at his service but know that our thoughts and prayers are with his family. He was a loving father and his children and grandchildren was his life and he let it show. He will be missed greatly.*
