“ My Heart aches for the family and everyone who knew him. He was a very special person. I remember when he first started teaching, I was in fourth grade and he came in to substitute for another fourth grade class. At the end of that school year for the awards ceremony, I think everyone in his class received a trophy. Every year after that it just became bigger for him and everyone loved him for his teaching and dedication to the school and students. I know he'll Rest In Peace. 🙏❤️👼 You'll be missed by everyone!!
