“ Clyde was a classmate and friend during our High School days. I remember his sense of humor and some of the writing that he did in Mrs. Busic's class. I wonder if anyone else can remember the character he created. Granny Knock Knee was her name, and no more needs to be said about that. If I can remember that after all these year's, then you know how much of a friend he was to me.

*My heart goes out to his family, and I know he will be missed by everyone who knew him. I hope to meet him again some day on the other side.*

“ I'm sorry to hear of your loss. I remember Clyde from school days as a quiet, reserved and humble young man- despite the fiery hair! I met him later at a class picnic and he had that same quiet smile I remembered. He will be missed.

“ Jeani, Mark, Misty and Tim  
So sorry to hear about your Dad, Clyde was a good friend for many years, both him and your Mom. You all were family to us. Your family and ours was always together when you were growing up and we seem to drift away from our friends as the years go by. May God grant each of you peace and comfort in the difficult days to come and may he give you all many blessings. Seems just like yesterday all you kids were playing in Bane's Bottom and Clyde and Sandy and Jerry and I were playing Rook or some kind of cards on Saturday night. Love from old neighbors, friends and family.
