“ *Mom said to say that she is sorry she could not come to the wake or funeral, but we spent time remembering your Mom and Dad and enjoying the memories. They played a part in the lives of all of us from Pounding Mill, in many good ways. Edith was always full of life and fun, and was a real pleasure to know. God Bless and comfort you and your family.*

“ Mike and Jeanne Ann,
I have fond memories of visiting with Edith when staying with Dad and Irene in year's past. We used to laugh when she would proclaim that she was never going gray. My condolences to you and all of Edith's family.

“ Just to let the family know that our thoughts and prayers are with them in this time of great loss. Edith was always very good and friendly, as we lived in the area for several years and also went to church with her many years ago in Pounding Mill.
